** Data is not available for this program during the reporting timeframe.

These are the data reported to ACICS by the institution in its most recent Campus Accountability Report.

NOTES:

- Exclusions include students who are unavailable for placement because of pregnancy, death, or other health-related situations, continuing education, or military service, as well as students who are not eligible for placement in the United States because of visa restrictions are removed.
- Brightwood College is accredited by the Accrediting Council for Independent Colleges and Schools, which requires the College to calculate placement rates. These rates are calculated as the percentage of students who graduated or completed training at the College between July 1, 2016 and June 30, 2017 who were placed in employment by November 1, 2017. Program completers or graduates who are unavailable for employment are removed from the employment placement calculation. Specifically, completers or graduates who are documented to fall into one of the following categories are removed: unavailable for placement because of pregnancy, death, or other health-related situations, continuing education, or military service, as well as students who are not eligible for placement in the United States because of visa restrictions are removed.
